## LEC Conference/Thanksgiving Week

Due to the attendance of all preschool staff at the annual Lutheran Educator Conference (LEC), the preschool will be closed. From November 25-27

## Picture Day

Preschool Pictures are scheduled for Friday, November 6th & Thursday, November 12th. To ensure the safety of our students, disinfecting will be done between each child and unfortunately we do not have a time estimate on how long each picture will take with these protocols so please have your child ready for pictures both days. Children who do not attend on Thursdays will be scheduled first.

**CHEESE!**

Each family will receive a standard packet of photos which includes: a class composite, (1) 5x7, (2) 4x6, (4) 2x3. An order form will go home in the picture packet and parents may choose to order more photos at that time.

## SCRIP Sales

Shop for fall with Scrip/gift cards! Whether you need sweaters for cooler weather, fall décor for your home or are starting your Christmas shopping early, shop with Scrip and earn tuition rebates with all of your purchases. You can purchase Scrip in the school office or by contacting Ruth Lopez (Scrip coordinator)

**Reminder:** Have you checked the expiration date on your Amazon Prime membership? Be prepared with an *Amazon Prime Renewal Certificate* from Bethany Scrip when it is time to review.

GIFT-FILLED SHOE BOXES WERE HANDED OUT TO CHILDREN IN EARLY 2020 AS PART OF FRANKLIN GRAHAM'S BOLD VISION TO REACH EVERY CHILD ON 1,000 PACIFIC ISLANDS WITH THE GOSPEL OVER THE NEXT FEW YEARS. PASTOR ANDY LOOS, WHO COORDINATED GUAM'S FIRST SHOEBOX DISTRIBUTION EVENT, SHARES THIS STORY:

"A little girl had asked her dad for some art supplies, but they couldn't afford any. She opened her box, and it was filled with art supplies. She was so excited and so were her parents. They were wiping tears away as they saw the joy on their little girl's face. And only Jesus knew how to get that box to that little girl." (January 2020)

Help share the love of Jesus with a child in need by joining us at one or more of these Operation Christmas Child activities:

- 1. Fill a box at home and return it.** Boxes and brochures will be distributed after Sunday services starting on Oct 18 through Nov.15. **NEW THIS YEAR:** Use the postage paid envelope to mail in the suggested \$9 donation for shipping costs rather than placing any money in the box. If you prefer, you can also pay online and follow the destination of your box. (<https://www.samaritanspurse.org/operation-christmas-child/follow-your-box/>) Return filled boxes on any Sunday through November 22.
- 2. Build-a-box at Bethany** is an **IN PERSON** event happening on **Saturdays, November 7 & 14** from **9:00 am to 4:00 pm**. To protect the health of those participating and to follow COVID-19 guidelines, reservations are required. Time slots will be available every 15 minutes on both dates. To register, go to Bethany's website at [www.bethanylutheran.org](http://www.bethanylutheran.org) and click on the "Build-a-box" link. Individuals and family groups of up to 6, will be guided through a series of tables with shoebox supplies to choose from until their boxes are filled. It will be "touchless" in that volunteers at each table will use grabber sticks or gloves to transfer supplies to your box. All shoe box items and supplies will be provided. We will have a free-will donation basket if you would like to help with the cost of shipping our shoe boxes.
- 3. Build-a-box-online:** with just a few clicks, you can pack a shoebox online to help share the Good News of Jesus Christ with a boy or girl in need around the world. With a tax-deductible donation of \$25, you can select school supplies, toys, and other fun items and personalize your gift with your own letter. Samaritan's Purse will pack the gift for you and send it on its way. Go to the following link for Bethany's build-a-box- page: <https://build-a-shoebox.samaritanspurse.org/view/368e1699-c9ab-453e-82e7-839b0090540b> Visa scrip cards are available for purchase in the school office.
- 4. Volunteer at the Fullerton Processing Center:** If you are interested in inspecting boxes at the Processing before they are transported to receiving countries, we have a reservation for 25 volunteers from 10:00 am to 2:00 pm on Thursday, November 27. Sign-up sheets for this event will be available on Sundays, beginning Oct 18 through Nov 15, or until filled.
- 5. Drop off items for a Spring packing party:** A packing party for our students at Bethany is tentatively scheduled for the Spring of 2021. If you would like to contribute items for this event, which will also be opened to members at large, you may drop off supplies in our collection box in the school office, M-F, 8 - 4. For the months of October and November our featured collection items are **flashlights** (batteries are ok to pack; if batteries are loose, seal ends with tape) and **small toys** like legos, yoyo's, hot wheels, miniature dolls, balls of all sizes (bouncy balls should be a medium size to avoid a choking hazard), playing cards, plastic animal figures, etc. New, unused items only, please.
- 6. Volunteer at Bethany during National Collection Week:** Between Nov 16 and Nov 23, Bethany will serve as a shoebox collection site for members from the community. Come out and meet some of our neighbors and help us collect, organize, pray, and transport donated boxes. We could use your help anytime between 9:00 am and 1:00 p.m., Monday, November 16 through Friday, Nov 20, and again on Mon., Nov 23.

# Parent Academy

**Conscious  
Discipline®**

My preschooler has started to lie. I know she's drawing on the wall and furniture, but she's refusing to admit it. What can I do?

We have a choice, we can focus on getting our children to admit their errors and feel bad for their actions, or we can focus on helping our children learn to be responsible by experiencing the consequences of their actions.

In this case, you could go for admission of guilt and say, "Did you draw on these walls?" Asking a question you already know the answer to is a trap. More than likely, preschoolers will deny they did anything. Denial is a defense mechanism used when faced with fear of threat. Once the child denies the situation, then we really become upset, usually saying something like, "Don't you lie to me. Lying just makes things worse." From here the interaction can only deteriorate and the opportunity to teach a new skill is lost.

Alternately, we could set a limit and hold the child accountable for her actions by saying, "You wanted to draw some pictures. You may not draw on the walls. Drawing is something you do on paper. You can clean the walls with rag or sponge. What is your choice?" It is important to follow up with your child later when she is drawing on paper by saying, "You did it! You remembered to draw on the paper. Good for you, honey." Then hug and kiss her all over.
