**For Starters:**

*What are the things that would describe you as being part of the family of God?*

*Why do Christians do good works?*

### **Read Matthew 25:31-46**

- *What parts of the text jump out at you?*
- *What questions do you have after reading this text?*

Have you done enough to be saved? Will your acts of mercy be sufficient to place you among the “sheep” at the final judgment? Those are the wrong questions to ask about Matthew 25. Watch the following video as Chad Bird demonstrates that Jesus is talking about an inheritance not an earned reward. In this video, he discusses the OT background of inheritance, how Genesis 1 is about the Gospel, and how the prophets were the ongoing theophany of the Lord.

- *How is Jesus front and center in this parable?*
- *How does Genesis form the foundation for what happens in this parable?*
- *How does understanding that inheritance is a gift change your perception of this parable?*
- *Where has God hidden himself in this world?*
- *If works don't make you a sheep, why do them?*
- *As a sheep under the care of the Good Shepherd, how can we help those who may be living like goats?*
