Christmas Store Reimagined

We are unable to offer our traditional Christmas Store for our students this year due to the pandemic. But we do have another fun, memory-making activity for you and your family to do together. We are partnering with AR Workshops to provide a Do-It-Yourself Ornament Kit that you and your family can decorate together. Each kit comes with 6 wooden disk ornaments, the stencils, paints and all supplies for this fun activity! Kits are \$35 but will offer a memory making activity and a keepsake for years to come - order and make them for family members, grandparents, friends and yourself too! In addition, and which we know will be a ton of fun, we're having a Zoom painting party on Saturday, December 19 @ 9 AM where you can join us for a fun, family activity. Zoom link will be issued closer to the event. Christmas is all about family and we hope you'll look forward to this special activity! Order your kit this week using the google drive link! <https://docs.google.com/forms/d/e/FAIpQLSeUMjAF002F8uEdRWc6VtHzdQdt9HqbLusfBF0BeVzGWIDxIg/viewform>

Scholastic Book Fair

This year's Scholastic Book Fair will be an online event! The Book Fair, hosted by the Bethany Youth **will run Monday, December 7, 2020 thru Sunday December 20, 2020.**

This is a great opportunity to check a name off your Christmas List, beef up your home library, and encourage reading of all ages. All while sitting on the couch in your pajamas, sipping hot coco!

SCRIP Sales

The holidays are upon us and so are Dazzle Days! Free shipping on your ship to home orders (through Dec. 4). Surprise mystery bonuses. 2-week bonuses (through Dec. 11). Take advantage of these dazzling offers and do all your gift card shopping through ShopWithScrip this holiday season. Every gift card you purchase helps support our organization and adds to your tuition or ministry rebate.

Also remember - gift cards are not just for gifts! Use gift cards to purchase gifts and for your holiday food shopping to increase your rebate even more! Amazon, Visa, Walmart, Target, Vons, Albertsons, Stater Bros., Honey Baked Ham and more!

Cook's Night Out

Parents please join us for Cook's Night Out at **Pina Pizza House**. This event is when a restaurant donates a percentage of the bill amount that Bethany Families spends when ordering/dining at their restaurant. For example, if a families dines out at the participating restaurant and spends \$100 and the restaurant has agreed to give us 20% of the proceeds then the school would make \$20 on that bill. Families take the flyer so the restaurant can keep track of the totals. Cook's Night Out monies go to a fund that helps the 8th grade class pay for their class trip to Washington D.C. See attached flier for date, times, and participating restaurant.

Parent Academy

Conscious Discipline®

How do you recognize the difference between a child who is having normal behavior issues and one who needs specialized services?

Developmentally, children between the ages of 3-5 years old will test and question authority to determine what is and is not allowed. Children at this age check the limits and boundaries to figure out the expectations and rules of the environment.

When the behaviors become persistent and maladaptive to an extreme degree and they impede with the child's learning process, then it would be recommended that the referral for special services begin. These children may also have an inability to form interpersonal relationships with others and/or inconsistent moods including depression. Some children may exhibit similar behaviors during a stressful time, such as the death of a loved one, recent move, change of schools or other life changing scenarios. For that reason, it is imperative that the child be observed over an extended period of time and not just referred due to a momentary reaction. Contact your child's teacher or pediatrician for additional assistance.
