Let Us Be A Generation That Seeks

Crossroads 2020 is almost here! Crossroads is a wonderful Bethany Youth Ministry tradition that has been taking place for over 20 years. This special retreat is a great opportunity to explore God's Word, grow in community with one another, honor our graduating Seniors, and welcome the new incoming Freshmen! This year Crossroads will be held on May 29th -31st in Big Bear.

This year our theme is, **"Let Us Be a Generation That Seeks"**. This theme was taken from the 24th Psalm. At times we take a step back and look at the world around us and are baffled at the direction it is headed. Everywhere we look we see disaster, impurity, death, immorality, stupidity, and ungodliness. The state of the world can cause us to despair. At the end of his life, King David looked around him and began to pray to God, let this be a generation that seeks your face. David charged the people of God with a task; "seek Him, serve Him with a whole heart and a willing mind." "Be a generation that seeks the God of Jacob." This desire is one that we pray and wish upon our church, our youth, and ourselves. May we be the people of God, seeking His face and His kingdom!

Your child(ren) will have an opportunity to spend time in the Word of God with fellow believers and friends. They will spend time with young adults who support and care for them. They will be challenged to take a deeper look at their relationship with God. They will be encouraged to join in fun activities such as: canoeing, challenge courses, sports, and team building. Crossroads is chalk full of fun opportunities for your child to grow with God and within the Bethany High School Youth Group.

In this packet you will find a registration form, fee amount, the yearlong permission form (in case you don't have one filled out for the 2019/2020 year), packing list, a rough schedule and a camp map. Please spend time as a family praying about this experience and your participation. Our hope and prayer is that your high schooler or soon to be high schooler is able to join us for Crossroads 2020 as we celebrate the Lord and all He has done and continues to do in our lives!
