

## ***Joining Jesus On His Mission***

**Video 10: "The Missional Community"** Hebrews 10:24-25 | Book chapter 19

Welcome to the online version of *Joining Jesus On His Mission* sponsored by Bethany & Holy Cross. For each of these online sessions you will read a portion of the book *Joining Jesus On His Mission*, watch a short video and then spend some time processing through the material. You may find it helpful to do this class with at least one other person. That could be a spouse, family member or good friend. Processing with another person will help greatly as you encounter the topics in the book. The videos are copyrighted and password protected. Please do not share the videos with others, especially on social media. So, are you ready? Let's see what Jesus is up to today!

Please Read Chapter 19 before you watch the video.

Take a moment to share some of the insights and experiences you have had over the last several days or weeks as you sought to join Jesus on his mission in your everyday life. If you were able to interact with neighbors from any of your various neighborhoods, tell your story. You can use the 5 Questions to help you get started.

- How did you see God at work this week?
- What has Jesus been teaching you in his Word?
- What kind of conversations are you having, especially with those who are not yet Christians?
- What good can we do around here?
- How can we help you in prayer?

### **Processing Our Insights:**

- 1) Our group has been regularly meeting together as we have been learning how to join Jesus on his mission in our everyday lives. We have become a Missional Community!
  - What are the most significant things we have learned about joining Jesus over these nine sessions together?
  
  
  
  
  
  
  
  
  
  
  - Why has our Missional Community been key to the progress we have been making?
  
  
  
  
  
  
  
  
  
  
- 2) Thinking about the words of Hebrews 10:24-25, how is our Missional Community an expression of what the writer to the Hebrews is encouraging?

3) By now the 5 Questions are familiar to us. Have some fun putting the 5 Questions into your own words:

- Question 1
- Question 2
- Question 3
- Question 4
- Question 5

4) Why is asking each other the 5 Questions and telling our mission stories so important for helping us stay intentional and inspired for our long term mission adventure with Jesus?

5) If joining Jesus on his mission is to be our lifestyle and not just our hobby, we will need a little help from our friends. The easiest thing for a Neighborhood Missionary to do is give up. We need the encouragement, insight and accountability that only a Missional Community like ours can provide. Today, of course, is the conclusion of our ten-session training curriculum. We have a decision to make.

- As a Missional Community are we done or have we just begun?
- What are our next steps?
