FROM THE PRINCIPAL

We are in Week 10...can't believe it!

Grades 3-8 parents, I hope your teacher conferences went well. It's a joy to partner with you!

Grades K-2 parents, our return to in-person instruction is going smoothly. It's a blessing to hear little people voices echoing in the halls!

We are continuing the conversation with the LB Health Department/LA County to allow additional grades to return to school. We are also very grateful for the work of the Students First Coalition. This group is actively working with the county to get private schools open for those who choose to be on campus for the emotional, mental, physical and spiritual health of their students. You can follow the work of this group at <https://studentsfirstcoalition.org/> There is a place on this site where any citizen can sign his/her name to encourage the county to open schools.

Finally, on this eve of Veteran's Day: I know we have Bethany parents who serve, or have served, in the military. **Thank you for your service.**

**We miss you.
Be safe.
You are SO. LOVED.
Dr. Fink**

Are your kids on campus each day?
Please be sure sweatshirts, water bottles and lunch bags are marked with names!
No lost-n-found during COVID. ☺
