

Talk Time Questions:

- Share about a time someone helped you do something hard that you couldn't do.
- How were they showing you mercy?
- Loving our neighbor as we love ourselves can be pretty hard, especially if our neighbor is someone who might pick on us or make fun of us. How can you still show love to those who are not always nice to you?
- When we don't follow God's commandments perfectly how does God still show us mercy?
- What are some ways you can show love to people every day?
