## Faith @ Home

Numbers 21:4-9

Today's Old Testament reading is a strange one. God's people disobeyed him and started to complain. So God sent snakes to bite many of the people and they died. Sounds strange, doesn't it? But God often works through strange things. God told Moses to put a snake on a pole and those who looked at it would live. This event reminds us of someone else who was lifted up and saved the people.

-What are some other strange ways that God works good for his people?

-How does looking to the cross bring salvation?
